To be delivered to PSC Commissioner Chair, Joe Martens, DEC Commissioner, The New York State House, The New York State Senate, Governor Andrew Cuomo, Joe DeStefano, Mayor of Middletown and John Razzano, Town of Wawayanda Supervisor

We the undersigned demand that the Competitive Power Ventures (CPV) Valley Energy power plant does not receive any public funding through a power purchase agreement from the State of New York or any other state subsidies or guarantees. We further demand all permits be suspended and full legislative hearings on this project to address the many environmental, community and policy impacts presented by it.
